

OAKS VETERINARY HOSPITAL

MEDICINE ♦ SURGERY ♦ DENTISTRY

GROOMING FORM

Our groomer has a gentle touch and takes the time needed for pets that require extra attention, like anxious and/or arthritic dogs and cats. Please let us know in advance if your pet has any special handling needs.

Some pets may require sedation for grooming. If this is required, our staff will contact you for permission. Sedation is performed by a veterinarian and additional charges will apply.

Client Name _____ **Date** _____

Pet Name _____

Breed _____ **Color** _____

Please provide a telephone number where you can be reached, we will call you when the groom is complete.

Phone (Home) _____ *(Cell)* _____

Standard Groom – *Includes Deluxe Bath, Blow Dry, Brush Out, Clipper and/or Scissor Cut and Bandana*

Face, Feet and Tail – *Includes Deluxe Bath, Blow Dry, Trimming of Face and Feet, Sanitary Clip and Bandana*

Feline Groom – *Includes Deluxe Bath, Brushing, Clipper and/or Scissor Cut and Bandana*

Description of Groom – *Please be as specific as possible. Provide a detailed description, including coat length. Ears are only plucked upon request. These instructions will be used to ensure your pet is groomed to your satisfaction. Our groomer will contact you if she has any questions.*

If your pet is heavily matted, a very close shave down or a technique called stripping may be required to remove the matted hair. Regular grooming will help keep your pet's coat in good condition.
